To Whom It May Concern

RE: ATMAS PTE LTD

Since 2014, Atmas Pte Ltd was entrusted to perform a complete overhauling of seven (7) units of GCV/SRV by Young & Franklin for PETRONAS Gas Berhad. As such, we would like to express our complete satisfaction with the services provided by Atmas.

As the sole workshop authorized by Y&F in South East Asia, Atmas has rendered their services in a very professional manner. All repairs and testing are performed under stringent requirements and standards set by Y&F; lead by a Certified Y&F Technical Personnel.

Atmas has portrayed a good customer service with their commitment in delivering reliable and efficient technical support. We intend to continue our relationship with Atmas in the near future and others can expect the same quality service as what we have experienced.

Sincerely,
